I have read all the information in this packet and am aware of my responsibilities. I understand I will not be eligible for student teaching if I do not meet all of the stated requirements by the end of the semester preceding student teaching. Once a placement has been confirmed, I understand that I may not request a change in the placement.

I am aware that student teaching is a full-time commitment and that TMCC discourages student teachers from taking other classes, with the exception of the Student Teaching Seminar.

I understand that this information will be shared with student teaching sites and School personnel as part of the placement process and that I am not guaranteed a placement location of my preference.
