Subject: Financial Literacy workshop #2

Good afternoon,

I will be having another financial literacy workshop. At this workshop, we will be discussing scholarships and be filling out applications for scholarships. Brittany Belgarde (Scholarship Technician) will be assisting. The workshop will be on Monday and Tuesday, December 3rd and 4th at 1:00 pm, in Room 124 (next to Financial Aid). I know this is finals week, but we have limited time to have this workshop. Students only need to attend one session, we are having two to try to make ourselves available to as many students who would like to attend.

Faculty, please encourage students to attend as this will help them with receiving more financial aid.
If you have any questions, please feel free to contact me by email or phone (477-7896 or 477-7862, ext. 2916)

Subject: Financial Literacy and Stress Awareness months

Hello all,

April is "Stress Awareness month" and "Financial Literacy month". Harmony Lindgren (TMCC College Counselor) and Kodi Yeager DeCoteau (TMCC Financial Counselor) will be having activities centered around these topics in the month of April. We will be in the Medicine Wheel tomorrow, Wednesday, April 18, 2012, from 10am until 12pm. There will be incentives provided. Hope to see you there.

Subject: Financial Literacy workshop

Good Morning,

I am emailing to let you all know when my next financial literacy workshop will be. I will be having it on **Wednesday, March 28, 2012**. The workshop will be in **Room 125** with four sessions starting at **10am, 11am, 1pm, and 2pm**. At the workshop, we will be discussing "real world" financials such as Student Loans at higher learning facilities, car and home loans, paying bills on time, what happens after graduation (financially), and such. **I will be giving away EXCELLENT incentives for attending.** I am encouraging students to come and attend, a session only lasts one hour and you will be getting some good advice and hopefully will learn something that will be helpful in your future. Faculty, please encourage your students to attend. I also encourage Project Choice and TRIO students to attend as it counts as a workshop for your requirements.

If you have any questions, please feel free to contact me in Student Services, Room 115B, or by email at kyeager@tm.edu. You can also call me at 477-7896 or extension 2916.

Thank you,

Kodi Yeager

Subject: Financial Literacy workshop

Hi everyone,

For those of you who do not know me, my name is Kodi Yeager and I am the Financial Counselor for Turtle Mountain Community College. I am here to help students and parents of students who need help with filling out FAFSA's, setting up budgets, one-on-one financial counseling, and getting the college students informed of financial literacy topics. To do that, I am offering four or more workshops throughout this year to get students informed of these topics that I believe are important for all of us.

The first of these workshops will be held, Thursday, October 27th in room 125 (across from the gymnasium). Starting at 10:00 am, I will have one-hour sessions where students can come in and learn about budgeting and spending plans. There will be sessions at 10:00, 11:00, 1:00, and 2:00 that day. Students will receive nice **INCENTIVES** for attending. I encourage all students to try to attend at least one session, as the information will be useful to you in your everyday life.

Watch for more emails from me with details about the next couple of workshops.

Thank you and I hope to see you on October 27th.
