## English Developer / Instructor

**Position Title:** English Developer / Instructor  
**Contract Term:** 9-Month Academic Year  
**Accountable To:** V.P. of Academic Affairs  
**Salary:** \$67,011 (minimum)

**Summary of Position:** This position will develop and instruct a Secondary Baccalaureate degree program of study in English. The learning environment established will proactively support all facets of the curriculum developed: a culture that values mutual responsibility; life-long learning; and professional development. The program developed will meet state standards and accreditation by the HLC (Higher Learning Commission).

The responsibilities of a full time faculty member are divided into the four categories: teaching, advising, service and scholarship to the College and the community.

### Teaching:

The key purpose of the College and therefore of faculty, is instruction. Enabling students to fulfill their total personal, intellectual, and vocational objectives constitute the heart of faculty responsibility.

- Assist in the research and development of a Secondary Baccalaureate English degree program of study that meets state and HLC accreditation requirements.
- Collaborate with appropriate staff and faculty in the development and accreditation of English curriculum.
- Assisting in planning course schedules.
- Classroom and laboratory preparation, instruction and supervision of students.
- Effectively maintain and manage the classroom, through the creation of a vibrant learner- centered teaching atmosphere.
- Measurement of student performance including the preparation, administration, grading and evaluation of student coursework, and the reporting of grades, in a timely manner.
- Coordination and assessment of academic courses and program.
- Development of new courses and programs of study.
- Periodic evaluation of library holdings and recommendations of books
- Communicates expectations and establishes clear grading criteria through appropriate instructional means to include, but not limited to, developing course syllabi, handouts, and materials supporting the instruction process.
- Evaluate student progress and provides clear, timely, feedback.
- Review course texts as needed
- Orders appropriate equipment and supplies needed for a course instruction.
- Work effectively and cooperatively with colleagues in the department and other departments; contribute to ongoing curriculum and program development and institutional assessment.
- To carry out the mission of the institution by incorporating the local culture throughout the curriculum.
- Maintain a professional, courteous attitude and demeanor in all instances when working with students, and when acting as a representative for TMCC.

## English Developer / Instructor

- Read and communicate using Google email; use TMCC's Jenzabar and Canvas learning management systems, effectively search the Internet for information, use MS Word and other office software; and technologies and applications.
- Respect student's rights to confidentiality and follow legal guidelines regarding information.
- Other tasks as needed.

### Advising:

- Post schedules and maintain office hours.
- Providing educational guidance and assistance for students by planning schedules, recommending courses and determining appropriate education solutions.
- Track the progress of students.
- Refer to appropriate resources as needed.
- Other tasks as needed.

### Service:

- Implementation and participation in service learning project(s).
- Service on departmental, self-study or institutional committees.
- Participation in College sponsored activities such as recruiting students, graduation activities, and other planned activities and meetings.
- Coordination, advisement, and supervision of student activities, organizations and clubs directly related to the academic programs.
- Coordination, advisement, and supervision of student activities, organizations or clubs not directly related but supplemental to academic programs.
- Development, implementation and sharing of results of college and/or community service learning projects.
- Community instruction such as preparation and presentation of College course work off-campus, workshop, seminars, and in-service for professionals and others.
- Initiation and/or participation in civic engagement activities.
- Other tasks as needed.

### Scholarship:

- Participate in faculty development initiatives.
- Ongoing research that leads to the discovery of new knowledge, proficiency and growth in one's field.
- Publication and dissemination of scholarly writing.
- Serve as a peer reviewer for scholarly writing.
- Holding office or membership in professional organizations.
- Attending and participating in meetings, conferences and conventions of professional associations.
- Writing proposals for research or other projects that support academics.
- College connected consultation or professional community service.
